

- 2008–2009 **Layout and design**
Chalmers University of Technology, Göteborg
 During short periods I was involved in four different projects. I have produced a lot of different Swedish and English brochures. I edited, processed images, and translated from Swedish to English and had contact with the printer.
- 2006–2007 **Editorial secretary, layout and newsletter manager**
The Scandinavian Shipping Gazette, Göteborg
 Was responsible for the Swedish magazine that is due once a month (and one English issue as well). Planned, edited the magazine, processed images, proofread, translated news between Swedish and English and vice versa, updated the website, programmed scripts in FileMaker, was responsible for the Swedish and English newsletters.
- 2000–2005 **Web, system developer, databases, layout, editing, support, purchase**
The Scandinavian Shipping Gazette, Göteborg
 Was responsible for the website. Developed their IT systems, for example programming FileMaker Pro databases to be used with the website and newsletter. I had the computer support for 18 people (Mac and PC). I also purchased all computers and equipment. I was backup for the department of subscriptions, for editing ads, the magazine and helped with layout, ideas and proofreading.
- 1999 **Web designer**
SVT, Göteborg
 I worked with three different projects. The first one was to build, structure and design the local intranet. After that I built a website for a TV show. I also designed a CD with documentaries.
- 1997 **Project manager and PR manager**
Encontro 97, the samba school A Bunda, Göteborg
 Encontro 97 was a big international samba meeting, which lasted four days and had 600 participants from all over Europe. I was PR manager and one of two project managers. We organized 23 different workshops in percussion, dance and “jestyry”. We organized various gigs in different places in Göteborg, a carnival parade in the city and a big party at the end of the meeting. I designed and produced posters, t-shirts and other material. With very small means we managed to create a very successful and appreciated meeting, and even managed to make a profit.
- 1989–1993 **Layout, design and art director assistant**
Joe Brig Art AB and Telin Design AB, Göteborg
- 1984–1989 **Business administrator, translator, sales, training, computer technician**
New York, Göteborg, Trollhättan, Malmö and Härnösand
 Was responsible for a PC store, business administration, installed and sold computers. Translated two manuals from English to Swedish. Programmed.

Software experience

InDesign, Quark Xpress, Dreamweaver, Photoshop, Illustrator, ImageReady, Acrobat Professional, Acrobat Distiller, FileMaker Pro, FileMaker Server, MS Office, Infopress (subscription software), HTML, Flash and more. I love to learn new software and I do it very fast.

I have a driving license for car and motorcycle.

I became a qigong instructor during my employment at The Scandinavian Shipping Gazette and during one year we practised qigong every day for 15 minutes.

I am playing percussion in the samba school A Bunda in Göteborg. In connection with this I have been living shorter periods in Berlin and Rio de Janeiro. I also sing in a choir. My interests are design, interior design, photography, garden, nature, travel, psychology, human relations, music and dance.
